

SKR & SKR GOVT COLLEGE FOR WOMEN (A), KADAPA.

STUDENT PERFORMANCE EVALUATION SYSTEM (SPES)

SPES is a complete and customized solution to handle all the examination work. By SPES we maintain student details, exam details, exam wise fee details, subject details and exam scheduling details and generate all the reports.

The SPES contains the following modules:

1. Masters
2. Transactions
3. Reports
4. User Rolls

The screenshot shows a web browser window displaying the SPES Gateway. The browser's title bar reads "SKR & SKR GOVERNMENT COLLEGE FOR WOMEN (A), KADAPA". The page header features the college's logo and text: "SKR & SKR COLLEGE FOR WOMEN(A), KADAPA", "AFFILIATED TO YOGI VEMANA UNIVERSITY", and "(Re-Accredited 'B' Grade by NAAC)". Below the header, the page is titled "1. Gateway". The main content area is a large white box with a dark border. On the left side of this box, there are four vertical icons representing the system's modules: a tree for "MASTERS", a person for "TRANSACTIONS", a document for "REPORTS", and a group of people for "USER ROLLS". A "Quick Search" input field is located in the top right corner of the main content area. The Windows taskbar at the bottom shows the system tray with the date "4/18/2022" and time "2:39 PM".

1. Masters:

In this module the following sub modules are there:

Masters

Reports

Exam Time Process

a. Masters:

The Masters Sub module contains the following forms used to collect data required for student performance evaluation.

Admission Years:

Used to create the academic batch, academic year of the student.

Branches:

Group name, Group code, Group Papers can be created.

Departments:

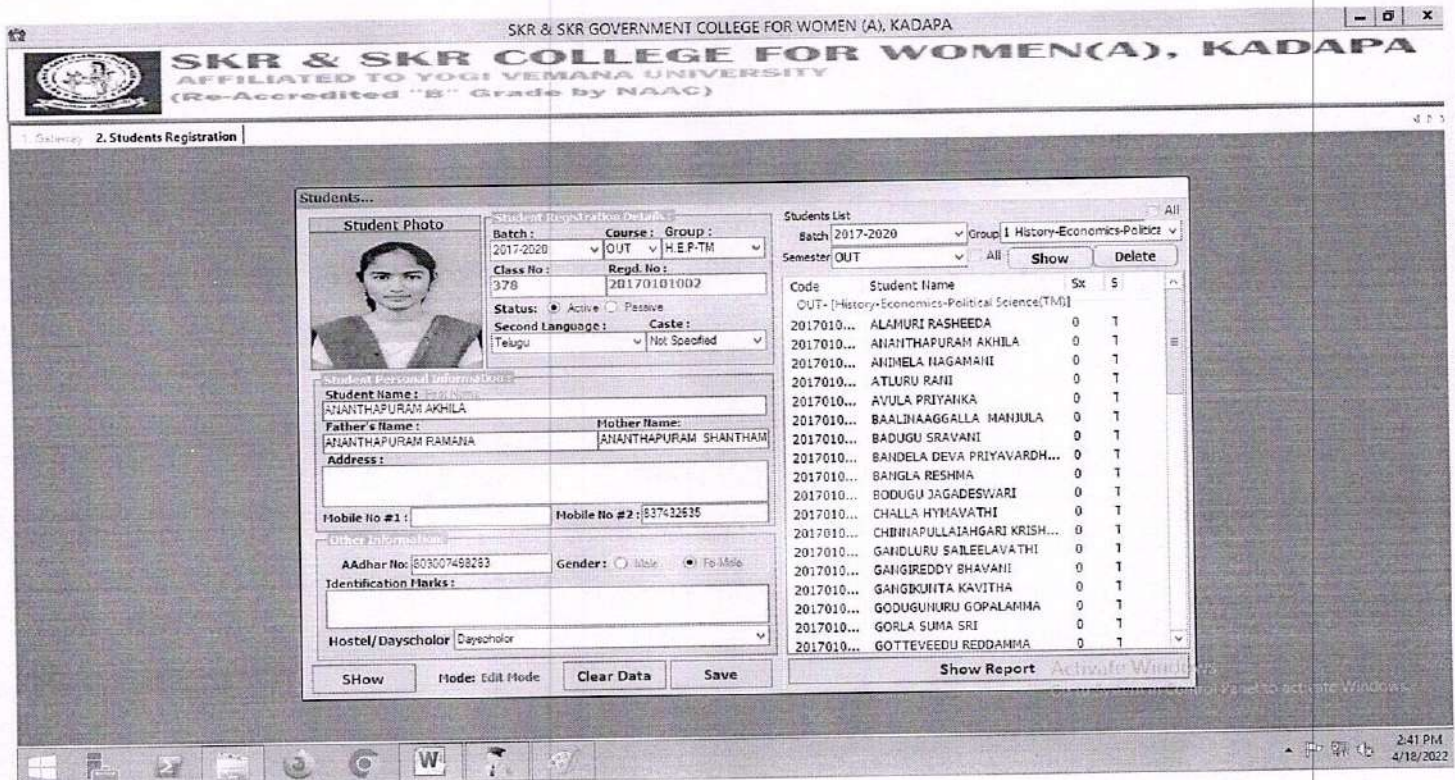

Used to create Department name, Department code.

Subjects/Courses:

Used to create course structure and subjects with paper title, Internal marks, external marks, opting whether the subject is theory or practical.

Students Registration:

Used to add student information/ register the student details.

Generate RegdNos:

Used to generate the RegdNos of the students, the register number contains year of admission, college code, program code and course code.

Rooms Registration:

Room registration is used to register exam hall in which exams are conducted.

Upload Photos:

Can upload student photos & signature which are used in exam Application, Hall ticket, photo nominal and certificate.

Staff Registration:

Staff registration is done which assigns a separate user credentials to the staff to use the software.

Subject Editing:

The subject added can be edited here if any modification is needed.

4/18/2022**Student Import from Excel:**

For easy registration of student details this sub module is useful.

Student Data is collected in excel and is imported from the Excel file

b. Reports**Group VS Students:**

Batch wise, Group wise student details is generated.

Group VS Students Photos:

Group wise student photos and data is generated.

Student List (Custom):

Student data is display

Student List:**Back Up Database:**

The entire database be back up for security and safety to avoid loss of data.

Roll Nos VS Redg Nos:

Batch wise roll no.s Register (hall ticket no) no.s is generated.

Batch Wise Paper List:

Batch wise, group wise report with paper list, paper code, Internal marks, External marks, credits and pass marks in each paper is generated.

Batch Wise Course Codes:

Batch & group wise subjects report is generated.

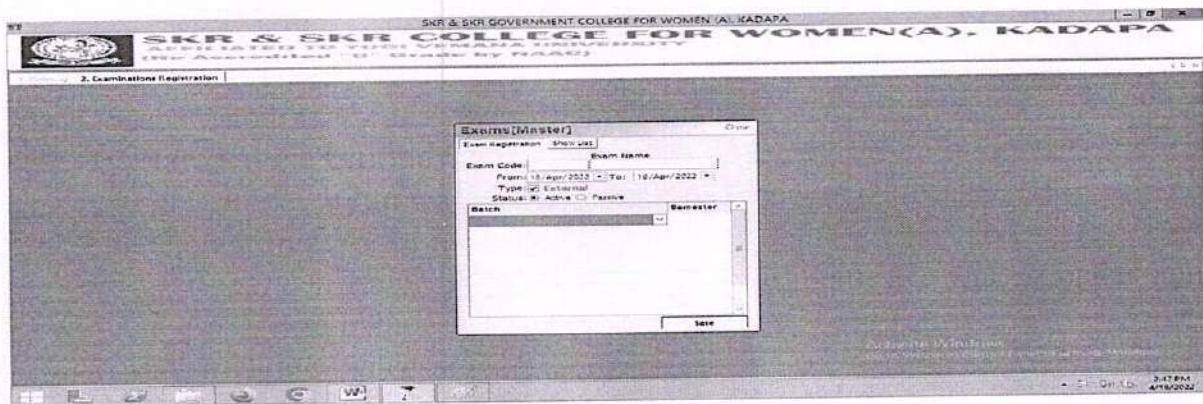

Department Wise Subjects:

Report on Batch wise, Department wise, Semester wise subjects and internal, external marks is generated.

c. Exam Time Process

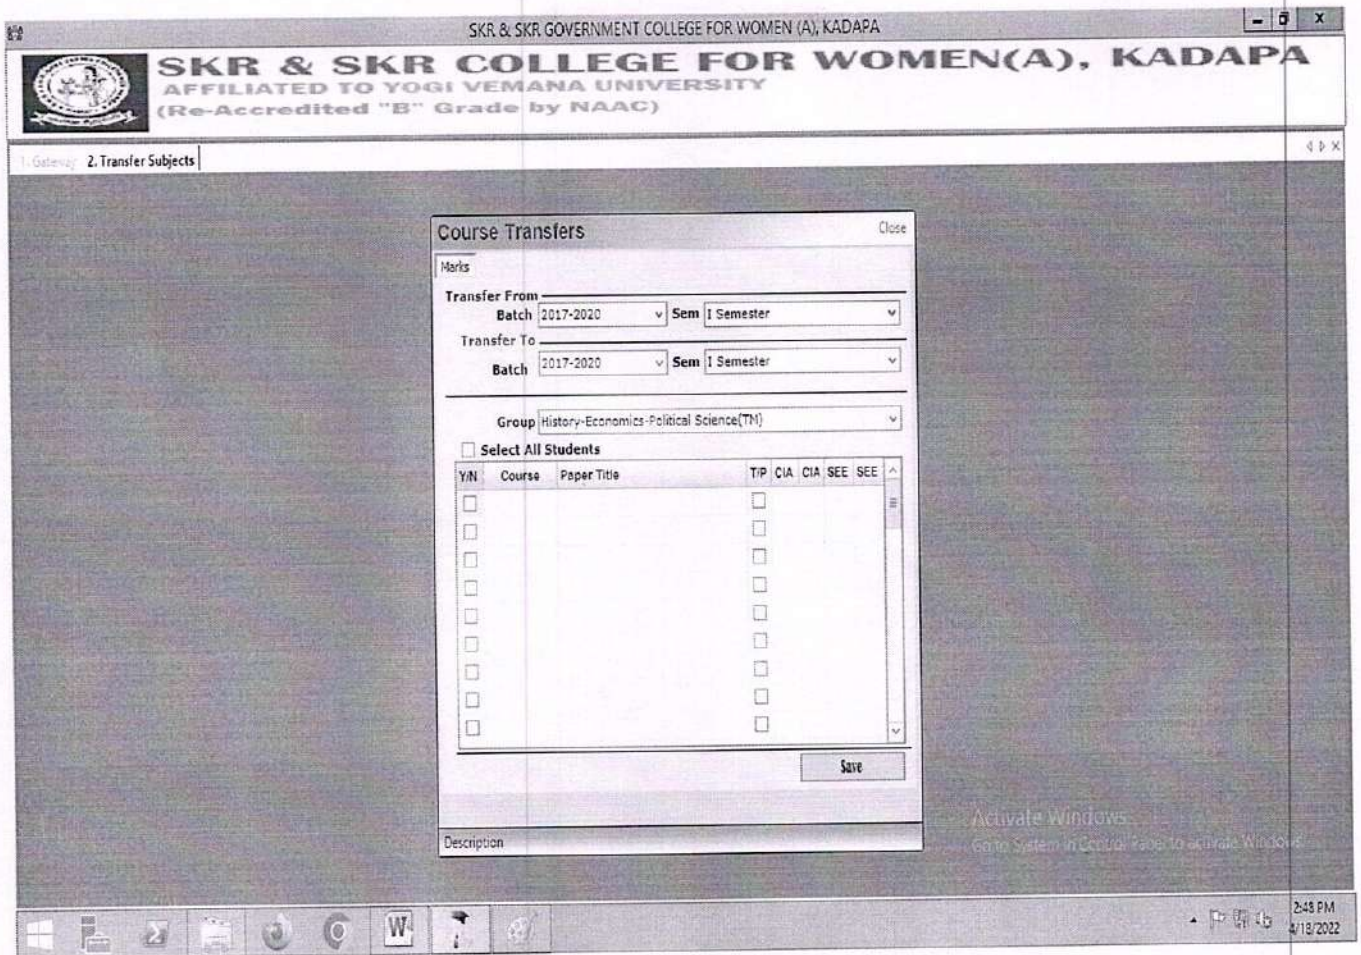

Examinations Registration:

Examinations registration with exam name, exam code, examination start and finish dates can be done with this sub-module before we start the examination.

Transfer Subjects:

If the course structure and the subjects of previous batch is same instead of again registering the subjects by using this sub-module subjects can be transferred from previous batch to current batch.

Transfer Students:

By this sub-module the students who had cleared all the subjects in the previous semester are promoted to current semester so as to appear for the current semester examination.

Student Splitting:

For Custer subjects, Life skill courses and skill development courses student splitting among subjects can be done using this module.

2. Transactions:

a. Pre-Requisites

Exam Fee Mapping:

Exam Fee particulars for each batch and each group is mapped using this module.
