Student Satisfaction Survey (SSS)

2.7.1 Student Satisfaction Survey (SSS) on overall institutional performance.

College IQAC committee every year conducts Students Satisfaction Survey on overall institutional performance under the guidance of Principal & academic coordinator. Survey gives valuable information and opinion of the students to take better decisions & to improve the competency of the college. It provides us a chance to know the expectations & needs of the students.

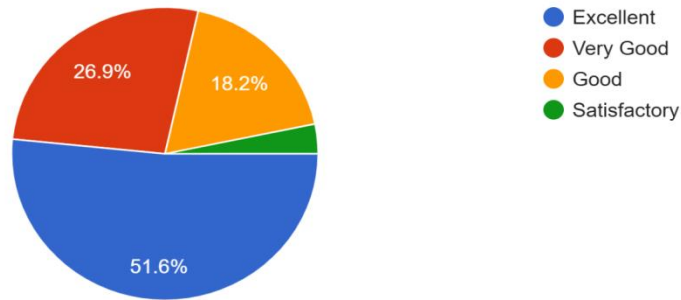

A questionnaire is designed in Google forms on various aspects like recognition of the college, quality of the teaching, infrastructural facilities, Examination system, Library facilities & other teaching learning facilities available in the Institute. The link is circulated among the students to collect the feedback. The data obtained is analyzed and presented in the graphical report. Majority of the students have given positive feedback on the overall performance of the Institute.

They expressed satisfaction on the infrastructure facilities, quality of the teaching, the mentorship, ICT usage, syllabus relevance & completion of the syllabus in time. Many have appreciated that teachers illustrate concepts through examples and applications, institutes conduct remedial classes, teachers use student centric methods, such as experiential learning, participative learning and problem based learning for enhancing learning experiences. Teachers encourage students to express and clarify their doubts in class. Students have also appreciated the teacher's attitude towards teaching and fairness in evaluation.

The result of the survey is shown in the form of Pie chart below.

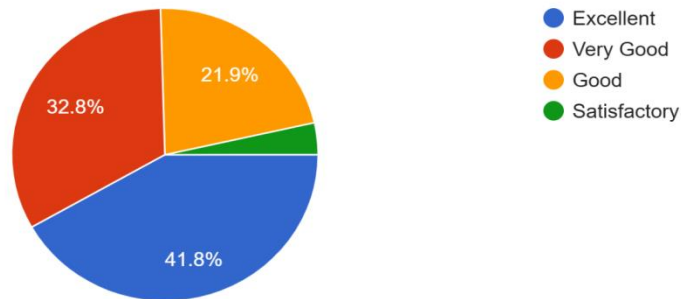

1. Honor & Recognition for the College

1,190 responses

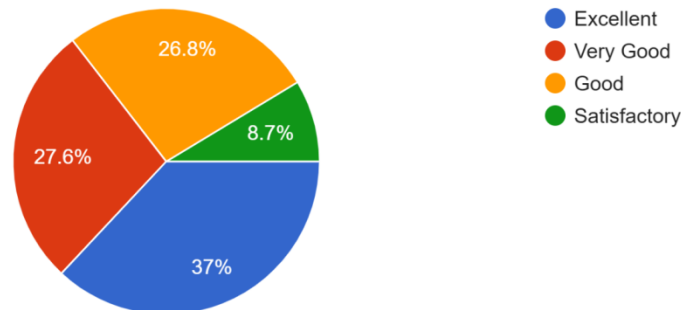

2. Availability of spacious ventilated Class Rooms, Auditorium & Library

1,190 responses

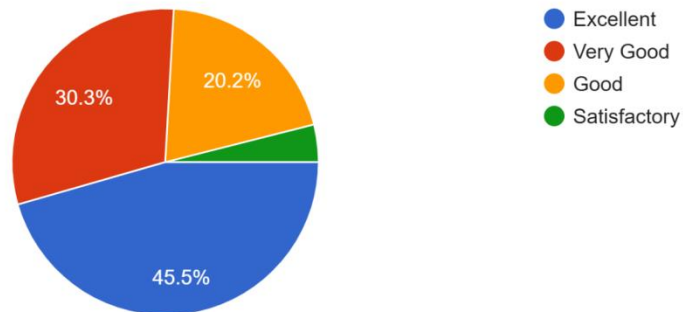

3. Infrastructure facilities such as Sanitation, Drinking Water, Canteen, Waiting room, Sports/Games etc. in the College

1,190 responses

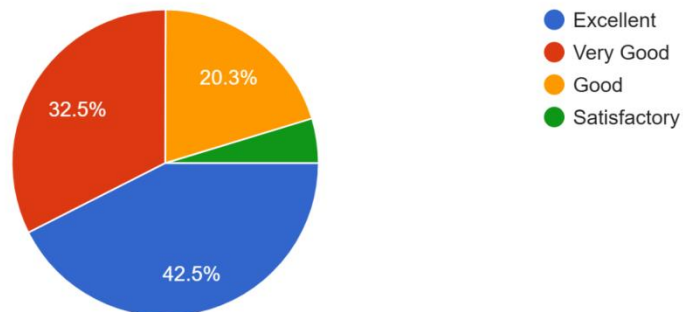

4. Availability of Books, Journals, Magazines, Newspapers, E-resources etc. in the Library

1,190 responses

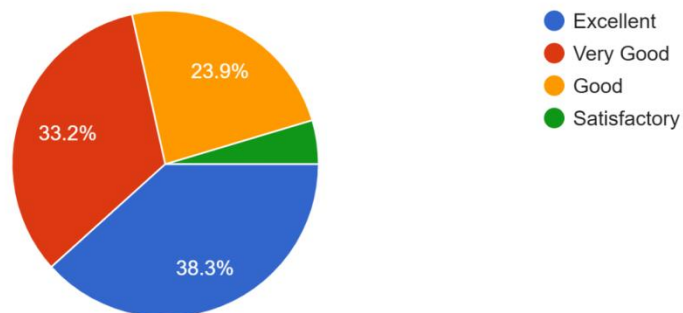

5. Lab facilities in basic Science & Computer Science Department

1,190 responses

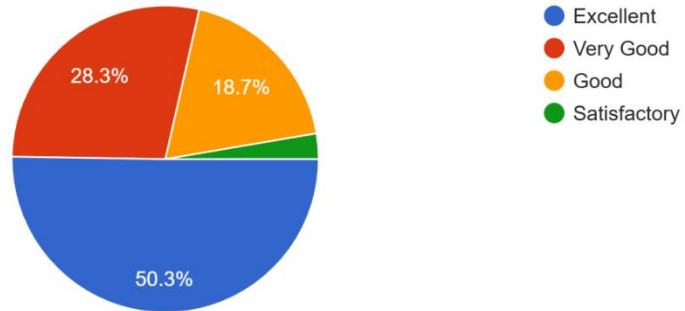

6. Relevance of the Course content to the student needs

1,190 responses

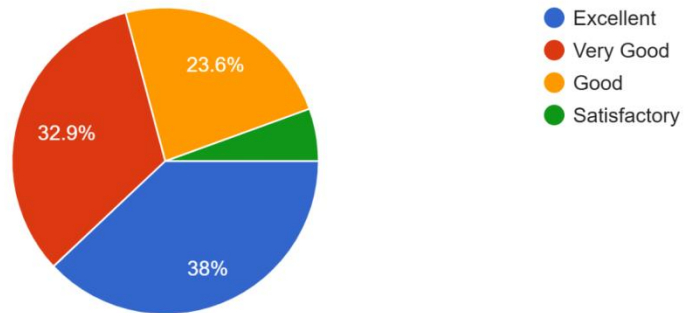

7. Quality Competency of the teachers

1,190 responses

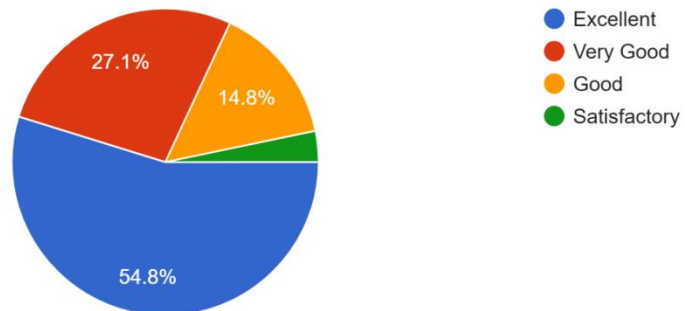

8. Usage of ICT Tools by teachers

1,190 responses

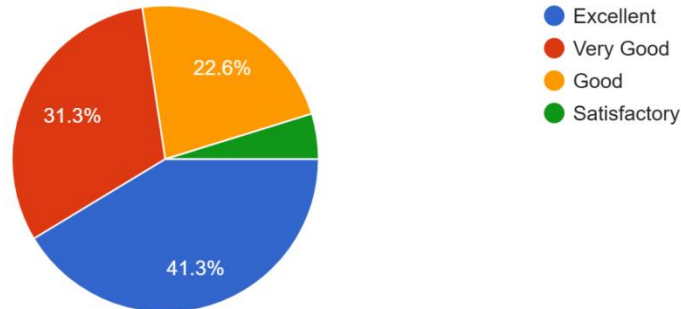

9. Functioning of NSS & NCC in the college

1,190 responses

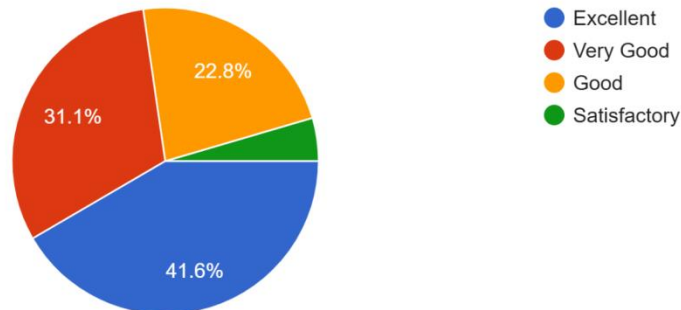

10. Curriculum of Life Skill Courses & Skill Development Courses

1,190 responses

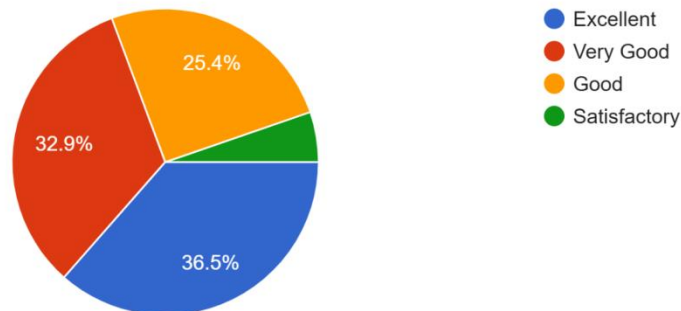

11. Promoting the students in extra - curricular activities, inter - collegiate competitions

1,190 responses
