

**SKR & SKR GOVT. COLLEGE FOR WOMEN, KADAPA.
(AUTONOMOUS)**

Reaccredited with 'B' Grade by NAAC
Y.S.R. Kadapa District – 516001, Andhra Pradesh, India.
Affiliated to Yogi Vemana University

3.3.1 Institution has created an ecosystem for innovations and creation and transfer of knowledge supported by dedicated centres for research, entrepreneurship, community orientation, incubation, etc.

ADDITIONAL INFORMATION

The Institution has created an ecosystem with constituted faculty members. The College with its excellent infrastructural facilities evolved constructive policy for creating innovative ecosystem. An approved Research Policy with stated objectives and procedures guides maintenance of existing and creation of new ecosystem from time to time. Accordingly, Board of Research Studies was constituted with faculty members, students and representatives from industry/academia.

Centre for Innovation, Incubation and Entrepreneurship (CIIE) was established in consonance with the policy of Government of AP with an objective to make the college an innovation hub. Students and staff work with experts from industry and other fields in the incubation centre (CIIE) while doing their project studies for testing the innovative ideas and to transfer the key knowledge to Industry. One of the aims is to rope in their association and getting funding for tiny start-up projects. Creative thinking is kindled among students by organizing poster paintings on emerging issues, working models, static models and live models. Students are encouraged to attend field visits, surveys, field projects and interaction with experts and faculty and submit a write up in the form of project proposals/reports.

The other initiatives of the college include:

Faculty Development Programs: College research committee encourages faculty to promote innovative research through Faculty Improvement Programs.

Research Projects: Faculty and students are encouraged to participate in various research programs and to present papers at International and National

Seminars/Conferences/Workshops on non-duty basis.

Promotion of Research Centers: The College encourages faculty members to accept Research guideships from the affiliating University.

JKC Lab: It is an initiative to develop skills relating to application of knowledge, appraisal at test business environment and to help understand issues, face challenges, and to promote creativity.

Exploring Bio-Diversity: The department of Botany puts in best efforts to develop an Excellent ecosystem and bio-diversity in the college

College Canteen: College is having good canteen with all the facilities available to the students.

Incubation Centre

Introduction Incubation Centre is a platform focused towards fostering & promoting the entrepreneurial spirit of start-up enthusiasts by providing a healthy ecosystem to promote their ideas, start-ups and researches into successful entrepreneurial ventures. It is a space for new age entrepreneurs and young minds to transform their innovative ideas into viable business propositions.

The Incubation Centre has been established on 1st November 2021 at SKR &SKR College for Women(A), Kadapa. The Incubation Centre aims to inculcate the entrepreneurship skills among students.

Objectives:

Following are the main aims and objectives behind the Incubation Centre

1. To develop the Entrepreneurs.
2. To help with business basics.
3. To make aware about marketing policies and conditions.
4. To give a real experience of starting a business unit.
5. To deal with the practical approaches of the theories.
6. To encourage the leadership qualities.
7. To develop the presentation skills.
8. To develop the skills like management, risk taking and decision making.
9. To take the real experiences of investments, profits and losses arising out of business.
10. To make aware about the market competitions and business strategies.
11. To promote students to start new businesses.
12. To make the students self-employed.

VISION

Incubation Centre is a space for new age entrepreneurs and young minds to transform their innovative ideas into viable business propositions. Our primary vision is to facilitate a platform for a budding entrepreneur to start a business venture with minimum risks. Incubation will ensure that incubates have access to technological assistance which will be generated through mentors with multidisciplinary expertise. We encourage young enthusiasts with creative pursuits with an inherent zeal to be entrepreneurs to take advantage of this novel initiative.

MISSION

The mission of Incubation Centre is to nurture and empower the next generation entrepreneurs to serve the local problems. The students, alumni of SKR & SKR College and faculty can come up with their ideas which might lead to the startup.
