Report on "Soft Skills"

The Department of English has been organising various programmes on Soft Skills like Guest Lectures, Workshops, and Presentations by involving and interacting the students. Soft Skills training gives a comprehensive understanding of the true perspective of application of skills as expected at the present work scenario. The students can make use of this training to understand the essentials of language skills. Understanding Different Speech Sounds, Learning Pronunciation, Speaking Without Errors, Building Conversations, Understanding Non-verbal Communication, Formal and Informal Communication, the right Etiquette for Public Speaking and Business Presentations, Personality Development and Building Self-Esteem, Team Building and Group Discussion, Facing Different Types of Interviews with Confidence and Preparing for and Delivering Successful Business Presentations are some areas students become familiar with. Principal, Dr. P. SubbaLakshamma took part in this event and inspired the students by making them know about the significance of soft skills in this cut throat competition.
