“Presenting Saree to Ammavaru by Alumni Association”

TOPIC: Presenting Saree to Ammavaru by Alumni

Synopsis of the Topic:

Alumni Meet is a **gathering of passed out students of an institution** and it is a place where the institution feels proud on seeing its successful alumni. During their meet, the alumni community shares their experience in the outside world, which they faced after stepping out of the institution.

Alumni associations offer a number of ways to give back, including **gifts, endowments, membership fees, and volunteer opportunities.**

Giving back to an alumni association is a great way to keep the legacy going and ensure that future generations of students have the opportunity to pursue quality higher education.

Maa (Mother) Saraswati is a **Hindu goddess who represents education, creativity, and music.** The name Saraswati stems from the Sanskrit root "saras," which means "that which is fluid." MaaSaraswati is known to bring order out of chaos and has a calming and centering personality.

Saraswati was the consort of the creator god, Brahma. She was responsible for helping him form the universe. In some stories, Saraswati was originally married to Vishnu, the preserver god, before he passed her off to Brahma.

The effulgent beauty and sharp intelligence of Saraswati enamored Her father **Brahma** so much that He was determined to make His own daughter His consort. But Brahma's incestuous infatuation to His daughter miffed Saraswati so much that She became desperate to avert Her father's lustful gaze.

“Maintaining and updating alumni database. 18.04.2023”

TOPIC: Maintaining and updating alumni Database

Synopsis of the Topic:

What are the activities of alumni association? Maintaining and updating alumni database. Mentorship Programme by alumni for their juniors. Organizing 'Alum talks' regularly. Updating various events organized in IMRD on Social Media to reach out to Alumni.

A strong alumni database is essentially the best network of potential recruiters for your current students. Since your school's alumni will be present in varied sectors and industries, they will be able to offer current students exposure and job opportunities in virtually any field.

Abstract- The main aim of the project is to build an interaction between alumni, admin and the students; a system that will be able to manage alumni data of a college and provide easy access to the same. The alumni will also be interested to maintain relations with their institutions.
